

ATTENTION: Store Managers and Business Owners!

Keep the Grime from Coming Inside...

Avoid Salt Damage to Your Tile and Carpeting with High-Quality, Experienced Pressure Washing!

We can help you:

- Wash away the excess salt and sand residue so it doesn't track into your store!
- Clean your sidewalks, entryways and parking areas protecting further salt damage inside and outside your store or office.
- Wash your shopping-cart's wheels to help keep your tile floors clean.
- Reduce concrete damage from winter salting by pressure washing traffic areas.
